Hi, Mindy – I'm going to see if someone more involved in tribal consultation knows which notes this would mean, and we'll get back to Jess right away.

Hi Rosemary,  
I just left a vmail on this. Jess had asked me to send her the notes from the 6 consultation meetings held as she reviews the list of documents for the docket/AR. With Whitney out, I am hoping you can give her a call to discuss Ex. 6 Personal Privacy (PP)

Thanks!

Hi Mindy,

Thanks for sending this. I'm wondering why the Seminole tribe notes are differently structured than the rest. I'd like to take 10 minutes to discuss my questions associated with that initial question. Whitney, can you give me a call when you have a minute? Ex. 6 Personal Privacy (PP)

Thanks!

Jess

Hi Jess,

Here are the docs you wanted to review. These are notes from the actual consultation meetings with tribes with who attended. We do not respond to their verbal comments in these meetings as we do in the RTC for 106 and the overall RTC, which are further informed by their written comments. I'm including Whitney who participated and can answer any questions.

thanks
